- ✓ Fireproof

Fire and waterproof escape hatch

Accedoo develops and produces certified plug-and-play composite ship doors and hatches.

In shipping, new (lightweight) materials are becoming more popular, as they reduce the total cost of ownership. Accedoo shipdoors and hatches are a perfect example of saving on both weight and maintenance.

- Available standard sizes 600 x 600, 750 x 750 and 900 x 900
- Our watertight doors and hatches are certified by Class
- Applications: seagoing-, fishing-, naval ships, cruise ships, commercial ships, fast ferries and mega-yachts.

Dimensions: 1200-1900 x 550-800
